LAWYERS

CLIENT CAR PARKING

Our office is at **Level 14, 7 City Road, Auckland Central** – represented by the **blue pin** on the map below. It is close to Symonds Street and Karangahape Road, and is opposite Cordis (a hotel formerly known as the Langham).

Our carpark is underneath the building at **67 Symonds Street**, and the entrance ramp is about 50m from the corner of City Road, marked by a back-lit Parkable carpark sign alongside the footpath – represented by the **red pin** on the map.

Drive down to the bottom of the ramp – the gate should be open. If not, please phone reception on (09) 921 5000 for assistance.

Continue straight ahead, turn left at the end, then take the first left. There are Carter Atmore client carparking spaces on your left, marked with our logo.

Assuming your car is parked nose first, the door to access our building is on the far wall behind you, which has a small sign reading “Access to 7 City Road”. Summon a lift and press level 14.

To return to the carpark, take a lift down to level 4. Exit the carpark via the same ramp.
