OFFICE LOCATION AND CLIENT CARPARKING

Our office is at **Level 3, 57 Symonds Street, Grafton (Auckland Central)**, highlighted on the map below. It is between Wakefield Street and Karangahape Road, and is just round the corner from our former City Road premises (in the same block).

Two outdoor client carparks are available onsite. These are marked with our logo and numbered 18 and 19.

Enter the building via the front entrance, take a lift up to level 3, and our office is on the right. Return to the ground floor to exit.
